

### **Remarks**

Applicant has filed an RCE herewith. Claims 2-3, 6, 24-26, 31-36, and 39 were previously cancelled or are cancelled now. Claims 1, 30, and 54 have been amended to remove limitations that were not part of the Examiner's statement of reasons for allowance in the December 9, 2004 Notice of Allowance. Some of these deleted limitations are recited in newly added dependent claims. New dependent claims 58-69 have been added to more fully describe the claimed invention. No new matter is added. Fifty-seven claims (claims 1, 4-5, 7-23, 27-30, 37-38, 40-68) remain for examination.

### **Examiner Interview Summary**

A telephonic Examiner Interview was held between Examiner Mulpuri and Applicant's attorney Charles Lemaire (Reg. No. 36,198) on November 23, 2004. It was agreed that the claims were allowable when amended as suggested by the Examiner for an Examiner's amendment. Claim 1 and claim 30 were discussed, as were the claims that originally depended on claim 2. It was agreed that claims 1 and 30 as amended by Examiner's amendment were allowable. Claims 2, 3, and 31 were to be cancelled by Examiner's amendment. Claims that formerly depended on claim 2 were to be amended to depend on amended claim 1. It was agreed that the original claims 54-57 defined allowable subject matter, however it is requested that a typographical error (a stray period in the middle of claim 54) is to be removed by Examiner's amendment. In a subsequent telephonic Examiner Interview on November 29, it was agreed to cancel claims 24-26, 32-36. Applicant agreed to file a terminal disclaimer with regard to the Applicant's patent 6,805,998.
